said article is in the form from which instant drinks can be prepared.

58. (previously presented) The confectionery article as claimed in claim 34, wherein  
said article is in the form from which instant drinks can be prepared.

59. (previously presented) The confectionery article as claimed in claim 37, wherein  
said article is in the form from which instant drinks can be prepared.

60. (previously presented) The confectionery article as claimed in claim 38, wherein  
said article is in the form from which instant drinks can be prepared.

61. (previously presented) A method for producing a confectionery article  
comprising the steps of:

- mixing dried herbs, said herbs being peppermint, sage, yarrow and thyme;
- extracting an extract from the mixture;
- thickening the mixture extract, if appropriate;
- mixing the resultant mixture extract with an extract of the dried herb *Stevia rebaudiana*; and
- processing the resultant mixture into a confectionery article of the desired form.

62. (previously presented) A method for producing a confectionery article  
comprising the steps of:

- mixing a corresponding number of extracts of at least one dried herb;
- thickening the mixture of extracts of herbs, said herbs being peppermint, sage, yarrow and thyme, if appropriate;
- mixing the resultant mixture with an extract of the dried herb *Stevia rebaudiana*; and
- processing the resultant mixture into a confectionery article of the desired form.

63. (currently amended) A method for producing a confectionery article comprising  
the steps of:
